

LIONS INTERNATIONAL PEACE POSTER COMPETITION

Lions Clubs International annual "Peace Poster" competition gives an opportunity to encourage the young people in our local community to think about the importance of world peace, tolerance, and international understanding, and to pass it on. The competition also encourages these young people to share their unique visions with the world, through pictures. The topic for the 2010/11 competition is 'Visions of Peace'.

The club invited students from Beauchamps School in Wickford to participate. the entries have been judged by club members and we are delighted to announce that the entry by Poppy Norton has been judged as the winner.

Poppy received a Craft Shop voucher and her entry now goes forward to be judged against other winners from the local Region. If successful, her entry could go on to be the winner at District or even national level, when it will compete against entries from all around the world. The picture shows Poppy's entry.
